# Welcome

## Welcome to the Bedford Big Day Out!

This event is an opportunity to thank and acknowledge our existing community and warmly welcome some new faces to celebrate and showcase the best of Bedford!

This has been a milestone year for Bedford as we continue the work to create more jobs, opportunities and pathways to employment for people with disability.

In 2023, we established three Bedford-backed social enterprises, Cultivate Food and Beverage, GreenInc Landscape Construction, and Dovetail Advanced Manufacturing. This year we also welcomed new businesses Beacon Laundry, Electronics Recycling Australia (ERA), BounceBack, and Blend Creative into the Bedford Group.

They join our ever-green APG gardening and packaging/assembly operations, and our expanding Learning and Experiences Program, to represent a portfolio of businesses that offer jobs, opportunities and pathways to people with disability so they live the life they choose.

We hope you enjoy the Big Day Out!
